Subject: Fw: Cape Cod Stormwater Meeting- change date to August 4

Hi Newton,

FYI, we'll be holding a meeting of the Cape Cod Stormwater Coalition / Group on August 4 (see below). Fred Civian will provide instruction on the NOI. You're most welcome to attend if you're available.

Also, the Cape Cod Commission just received news that they were awarded a 604b grant to evaluate and recommend options for forming a Cape Cod Stormwater Coalition. The Commission had earlier awarded a technical assistance grant to the Town of Chatham which requested assistance in forming a Cape Cod stormwater coalition on behalf of all the towns. We'll be discussing next steps.

FYI, Monica Mejia, my colleague at the Cape Cod Commission, and I have joined the Statewide Stormwater Collaborative and their subcommittees. We hope to learn from their work and apply it to the formation and support of the Cape Cod Stormwater Coalition.

Thanks,

Jo Ann

Subject: Cape Cod Stormwater Meeting- change date to August 4

Dear Cape Cod Stormwater Coalition Steering Committee members,

Due to a scheduling conflict, we'll be changing the date of the Cape Cod Stormwater Meeting from Thursday July 27 to Friday, August 4, from 8:30 AM to 12:30 PM. The meeting will be held in the same location, the Cape Cod Commission's Ocean meeting room. Fred Civian is still available to meet with us then, and the agenda will be developed later in July as we know more about grants, etc.

I'll send the change in date to the Stormwater Group shortly. Please RSVP.

Thank you for your flexibility.

Jo Ann
